

## Military Support Group of Alachua County

July 21, 2009

Dear Supporter,

Enclosed is the flyer for our annual golf tournament to raise money for the Military Support Group of Alachua County. There is also an information sheet about our organization, revenue and use of the money earned from the previous two golf tournaments.

The Military Support Group of Alachua County is a non-profit, 501 C 3 non-profit corporation that sends boxes to the troops that are deployed overseas every other week. We provide the boxes, the supplies to fill the boxes and reimburse the postage to the family and friends of the soldiers who send the boxes. We also provide support to the family and friends of the soldiers by providing a meeting and a sense of community while their loved ones are overseas. We are currently sending approximately 125 boxes each time we meet.

Please consider helping us support our troops. Your donation will be tax deductible. If you wish to participate in this year's golf tournament, please fill out the attached donation sheet and mail your check made out to the Military Support Group.

Thank you for your consideration.
