**Subject:** Care Package

This afternoon I received a care package from you, and I'm writing to express my sincere thanks for your generosity. Life in Iraq is full of frustrations and inconveniences, so it really brightens one's day when something good unexpectedly happens - and I want you to know that you brightened the day of about forty or so of my co-workers. Thank you for helping us to remember that there are those in America, many of whom we've never met, who appreciate our service. Your gesture means more than you can imagine.

To give you a little insight into what we're doing here, please visit <http://www.mnf-iraq.com/>. Specifically, I work for the Coalition Air Force Training Team (CAFTT), whose mission is to help build a credible and enduring Iraqi Air Force. By supporting us, you're helping us to accomplish our mission, and I thank you.

Many blessings,

--
